

## Why Osnabrück University of Applied Sciences is a good choice

- Bachelor and Master modules with a high practical orientation, incorporating international, ecological and sustainable issues
- Short-term summer and winter programs, English course catalog, free semester language courses
- Appealing study environment and superb infrastructure: state-of-the-art facilities, top-ranked library, prize-winning canteen, cozy cafés and lounges
- Individual counseling and support by friendly staff, buddies and various advice and service centers
- No tuition fees, low cost of living (ca. 800 to 950 euros per month), inexpensive student residences
- Plenty of sports and recreational facilities plus a lively social scene with a large variety of clubs, restaurants, cinemas, theaters and cultural events, giving you a timeout from studying
- Osnabrück: peaceful university city, rich in history, in a clean and safe environment, with a vivid international community of 140 nations, making you quickly feel at home
- Ideal starting point to explore the hot spots in Germany and Europe in your free time: Berlin, Hamburg, Paris, London, Amsterdam, Copenhagen, Vienna, Prague ...

Come to Germany and experience it yourself!
